The Ask

There is no cash cost for this program. At a minimum, we request our partners donate one complimentary foursome to their property. However, we have numerous properties that donate a stay-and-play package complete with accommodations to increase level of donation and exposure for the property, and subsequently provide a larger charitable tax-deduction.

ONE POST GOES A LONG WAY!

The Story & The Impact

Hadley Kate Bush passed away in the arms of her loving parents due to complications involving her underdeveloped lungs as a result of having been previously diagnosed with Congenital Diaphragmatic Hernia, or CDH. She lived six love-filled days.

While her fight against CDH here on earth is over, her battle against it is just beginning.

In 2015, the Fore Hadley Foundation was founded in Hadley's memory not just to honor her life, but to better support families affected by CDH and to help find a cure for this extremely serious but relatively unknown birth defect.

 **\$1,000,000+**
funds raised to combat CDH and support families

 **5,000+**
CDH community members assisted in 41 states

 **80%**
of every dollar raised goes directly towards CDH programming

 **\$75,000+**
in education grants awarded to CDH survivors

We have also funded groundbreaking CDH research through partnerships with 10 leading pediatric care-centers across the U.S.

The Company You Keep

Here are some of the courses that have participated in past Beautiful Charity Golf Auction's and have helped raise over **\$500,000**
