Dunwoody Country Club / Dunwoody, GA
10:00 AM Shotgun Start
Shamble Format

AWARDS LUNCHEON TO FOLLOW

www.forehadley.com

While her fight against CDH here on earth is over, her battle against it is just beginning.

Hadley Kate Bush passed away July 26, 2015 in the arms of her loving parents due to complications involving her underdeveloped lungs as a result of having been diagnosed with **Congenital Diaphragmatic Hernia (CDH)**. She lived six loved-filled days. The **Fore Hadley Foundation** was founded in Hadley's memory not just to honor her life, but to better support families affected by CDH and to help find a cure for this extremely serious but relatively unknown birth defect.

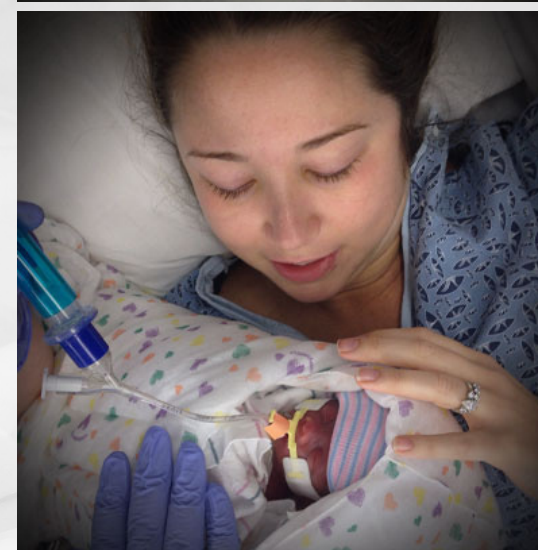

Now in its sixth year, the **Fore Hadley Golf Classic** has raised over **\$550,000** in support of our mission to defeat CDH once and for all. As the flagship fundraising event of Fore Hadley, it has funded groundbreaking CDH research in partnership with eight of the leading pediatric care centers in the United States, provided substantial scholarships to ten future leaders of the CDH community, and provided financial and logistical support to over 400 families in 33 states across the country dealing with the unfortunate circumstances of a Congenital Diaphragmatic Hernia diagnosis.

Join us once again as we *tee 'em high and let 'em fly* Fore Hadley! We truly appreciate your consideration, love, and support. With your help, we continue to make a difference everyday in the lives of those affected by CDH.

The Fore Hadley Foundation provides hope, opportunity, and support to the Congenital Diaphragmatic Hernia (CDH) community, and serves to inspire others to join the fight to eliminate this disease.

Fore Hadley Foundation, Inc. is a registered Non-Profit Corporation in the State of Georgia and an IRS-recognized 501(c)3 tax-exempt organization (EIN #81-3920871). All donations are tax-deductible to the fullest extent of applicable law.
